

HUNSDON PARISH - NEIGHBOURHOOD PLAN

MINUTES – 25th July 2018 (Mtg No. 4)

Present: B Carthy / Cllr B Dunthorne / J Felstead / F O'Shea / R Osterley / C Page /
M Phillips / M Reid / Cllr R Toll

In attendance: P Dudley / R Fleetwood / J Griffiths / J McDonald / G Robinson / M Slater /
J Veater

Some new members of the community had been invited to join the group: (Patrick Dudley, Jackie McDonald, Gill Robinson, Malcolm Slater) and attended the meeting. Cllr Helen Carter has also expressed an interest in joining the group.

Consultants Govresources attended and led the meeting. Jed will specialise in housing issues, Ruth will act as Project Manager and advise on environmental issues. Jacqueline will lead and cover other areas.

The consultants outlined the NP process and presented a Gant Chart project plan for Hunsdon.

Jacqueline led some further work on the Vision and explained how we needed to write each objective.

Objectives need to be SMART (see presentation)

The next steps will be for the NPG to meet to confirm the Vision and Objectives and decide if other areas such as "Wellbeing" need to be part of the plan. Bob and Martyn will meet to do more work on the Vision for a meeting to be arranged early Sept and then a village consultation on the Vision and Objectives together with a launch of the HPNG Logo will take place in October.

Areas where we can control planning are Recreation, Green Spaces, Views.

Environmental Mapping website John and Mark to do.

Wildlife Trust to identify areas and RSPB.

Carole to join the Neighbourhood Group to 'Parish On Line'.
